Subject: Fake Quan Yin Messengers and Fake Masters

Dear Noble Saints,

This message should be shared with all disciples.

Heaven's Law states that anyone conducting the Quan Yin initiation ceremony without permission from Master is in violation of Heaven's mandate, and is immediately considered expelled from the Association.

It is known that Tran Tam (also known as master ruma) first conducted the initiation ceremony, without permission from Master, in January 1993 at a refugee camp in the Philippines. The fact is Master has never ever given him permission to conduct initiations. It is therefore considered, by Heaven's Law, that Tran Tam (master ruma) has been expelled from our Association since January 1993.

Futhermore, it is Heaven’s Law that only those who sincerely, with a pure heart, come to Master for initiation truly become disciples. Tran Tam’s intention to come for initiation was corrupt and evil from the very start.

His whole purpose to get initiation was to infiltrate the group to abuse disciples and lead them astray. It is therefore considered by Heaven’s mandate that Tran Tam has never been a Quan Yin Disciple, and never received real initiation.

Tran Tam’s own initiation on October 29th 1990 is thus invalidated.
